

Public Notice and Posting
City of Wasco

The City of Wasco, in keeping with its ongoing efforts to serve all members of the community, is updating its Americans with Disabilities Act (ADA) transition plan and self-evaluation. The accessibility plan provides a comprehensive plan for access for individuals with disabilities to City facilities, parks, programs, services, activities and events.

The City of Wasco is seeking input from agencies, organizations and individuals with disabilities. As an agency, organization or individual, the value of stakeholder guidance will help to address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call or email the ADA Coordinator. Surveys are available for organizations that represent individuals with disabilities, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important to us and will provide valuable information regarding how the City of Wasco can better serve individuals with disabilities. Surveys are available from the City's website: www.ci.wasco.ca.us.

Please contact Bob Wren, ADA Coordinator, if you have questions or comments or would like to request a survey in an alternate format:
